

JUNIOR RANGERS

PEOPLE IN PARKS

As well as being a home for all the plants and animals parks are great places for people to enjoy beautiful natural surroundings and get involved in fun activities outdoors!

Which park are you visiting?

List five activities you see people enjoying in this park?

1. _____
2. _____
3. _____
4. _____
5. _____

Go on a self guided walk and describe your experience.

I walked the _____ track

and I discovered _____

Did you know playing in a park is good for you? Using your imagination and playing with natural materials (flowers, sticks, and rocks) is good for clever minds and healthy kids.

JUNIOR RANGERS

Know before you go! What are some items you need to be prepared for your adventure? Colour in the items below and add some of your own.
