

JUNIOR RANGERS

Celebrate the Victorian Nature Festival by going on a very BIG bushwalk!

On **Sunday September 26th**, all Junior Rangers are invited to join Parks Victoria Rangers, and lots of other organisations on a VERY big bushwalk! You can join a Junior Ranger guided walk **OR** explore a new area in your neighborhood. Here are some activities to help you along the way!

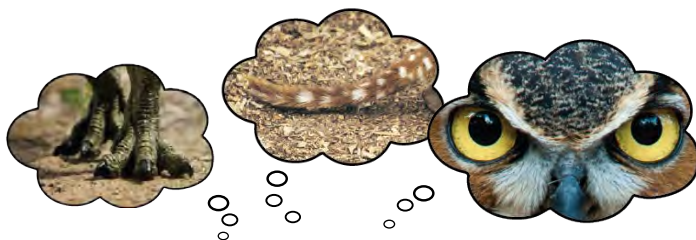

Competition time!

Share your adventure with us at juniorrangers@parks.vic.gov.au to go into the draw to win a

\$50 Macpac
voucher

Whilst you're exploring, invent your own weird and wonderful animal!

If you could make a new animal to roam Victoria's land or waterways, what would it look like? What kind of body parts would it need to move around and find food?

On your **very BIG bushwalk**, collect some supplies from nature. You might collect things like sticks, leaves, pebbles and even flowers that you find on the ground. Put your supplies together in the shape of your new animal (you could make a model or a flat picture on the ground).

When you're finished building your animal, remember to take a photo of it and then return your supplies to where you found them.

Check out the **Victoria Nature Festival** for more great events!
